The Person: skin tones and hair

Build Queue 213 and 214 · October 15, 2026 · mock-up only, not shown to students

Wigs only on the Person. No other character can wear hair now, even from an old saved look.

Twelve skin tones, very light to very deep: Very light, Light rosy, Light, Light warm, Light medium, Golden, Medium, Tan, Brown, Deep brown, Deep, Very deep. When the Person is picked in Style, the Body tab shows these as twelve round swatches to tap, plus Eyes and Eyebrows.

Every hairstyle on the Person, in six of the skin tones (first four hairstyles shown).
